To the members of the Board:

I should like to have some kind of a little party for the children who participated in the summer reading club. May I use two dollars from my cash to buy each one a cone, or some little thing, so it will seem like a party?

We need a new card catalog badly. Some ten thousand cards have been made in the last ten months, and at present are kept in paper boxes for lack of room in the catalog. I believe we could buy a new steel catalog for around sixty dollars, perhaps less. All the adult collection has been shelf-listed and cataloged, and half the children's has been completed.

We have had several visitors during the summer who commended us for having such a nice library, and many are the pleased comments on our new screen doors and awning.
